Dear Agency:

RE: PUBLIC LEGAL EDUCATION WORKSHOPS

Downtown Legal Services is a student legal clinic operating out of the University of Toronto's Faculty of Law. We offer free legal services to low-income clients in the areas of Criminal, Family, Immigration, Tenant Housing, and University Affairs. In addition to offering legal representation to our clients, DLS is also active in the community through outreach initiatives, such as Public Legal Education workshops.

We offer workshops in many areas of law and are always expanding our subject matter and creating new presentations. All PLEs are developed and presented by volunteering law students at the clinic under the supervision and review of our staff lawyers. We believe that this is a very valuable learning opportunity—not only for the people who receive the workshops, but also for the students who create and present them.

We are currently planning our Winter/Spring schedule and are interested in presenting a PLE for your organization. Please review the following workshop request form. If you would like to receive a workshop this fall, kindly fill out the form and return it to us as soon as possible. We have listed the topics available for presentation, but please feel free to request a specific topic not on the list.

If you have any questions, please do not hesitate to contact Krishna Ghodiwala at 416-934-4535. Alternately, I can be reached at dls.outreach@gmail.com

Sincerely,

Krishna Ghodiwala
PLE Assistant Coordinator, DLS
